

Teacher Education Department  
Meeting Notes  
November 14, 2018

1. Old Business:
  - a. Comprehensive Program Review Needed Action
    - i. Reconfigure the CDA Program.
      1. 4 2-credit 100-level courses to cover the 120 hours and 8 CDA topics...count towards Associate's degree still. Pull Phonics out of 201 and create a separate Phonics 200-level course. Pull 211 down to Associate's requirement. Add a 200-level STEM course. Should 236 be a 136-level instead. 20 education credits instead of the current 15 in Associate's program. Summer courses? Hybrid delivery? Practicum course at the end of the Associate's...observation hours?
    - ii. Recalculate the program contribution margin using correct student data regarding major.
      1. Teacher Ed Dept met with Geraldine, Jennifer, and Mahrie in late September 2018 to make sure students are correctly identified within Empower. No recalculation of the program contribution margin will occur with AY 2017-18 data. However department looking forward to seeing the program contribution margin for AY 2018-19 using the updated student information.
    - iii. Meet with Menominee Day Care & Head Start to strengthen partnership and monitoring of students' success.
    - iv. Discuss current field placement observation hours within EDU courses.
      1. How many hours do our students need overall?
    - v. Reconfigure the BS Program given the new parameters for teacher licensing by the State of Wisconsin.
